# AUDITION RESULTS

## Evaluation:

The Dance Spot uses outside judges, along with director feedback, to evaluate auditions and determine appropriate team placement. Consideration is given to a dancer's technique, performance quality, attendance, work ethic, attitude, and stated goals (for returning members). Final placements are decided collaboratively to ensure the best fit for each dancer. In addition, director input will be considered, along with past attendance, work ethic, attitude, and performance quality (for returning company members).

Please note: Dancers who are unable to attend Choreography Week may not be eligible for placement on FUSE Crew.

## Results:

Dancers will be notified on the evening of May 30th, via email, of their audition results/placement. After that, one parent and dancer are REQUIRED to attend a mandatory crew meeting on Sunday, May 31st.

Summer classes start Monday, June 8th, and end on Saturday, August 1st. The fall session begins on Monday, August 17th. **It is mandatory for dancers auditioning for FUSE Crew to be enrolled in summer classes prior to the audition.**

# PARENT TESTIMONIALS

“Being part of Fuse Crew has made me feel like I truly belong on stage. Each practice helps me grow as a dancer, and Ms. Livv always gives helpful feedback that makes me better and builds my confidence. She makes dance a place where everyone feels supported and important, and I love being part of Fuse. I love being on Fuse Crew because my teammates feel like my dance family. We cheer each other on, help each other and have so much fun together. It makes me happy knowing that everyone is included and that I’m part of a team where I can be myself.”

— Hadley M.

“As a parent, there is nothing more meaningful than watching your child gain confidence while being part of such a positive and encouraging community. Ms. Livv’s leadership goes beyond teaching dance; she fosters teamwork, resilience and self-belief in every dancer. I am deeply grateful my daughter is part of a team that not only develops strong dancers, but also shapes confident, capable young people — lessons that will guide her far beyond the stage and into every part of her life.”

— Michelle M.

“This season with the dance team has been such a blessing for our family. It has been so much fun watching not just my daughter grow, but the entire team come together. There is a real sense of unity, encouragement, and support among these dancers—they push each other, celebrate one another, and show up as a team. Ms Livv is truly amazing. She challenges the dancers, believes in them, and pushes them to be their best selves, both individually and collectively. You can see her passion in the way the team carries themselves, on and off the floor.

We are so grateful to be part of a team that feels like a family and a space where these dancers are growing in confidence, discipline, and joy.”

— Danielle O

“This dance program is truly something special. Ms. Livv doesn’t just teach dance—she mentors, inspires, and empowers each child to thrive. She brings fresh elements, creativity, and an incredible energy to every class that genuinely resonates with the kids. My daughter is always so excited to attend class, and she comes out full of energy, confidence, and positive vibes every single time. She’s constantly learning, growing, and discovering more about herself through dance. The growth we see with each class—both in skill and self-belief—has been amazing. We are so grateful for a program that nurtures not only strong dancers, but confident, happy kids and such a strong sense of community.”

—Jessi D.
